

Gabrielle Botbol

Beyond the Ordinary: Challenging Perspectives, Sparking Critical Thinking, Delivering Solutions

Gabrielle Botbol is a Pentester at the largest financial cooperative in North America. With a deep focus on the banking industry, Gabrielle specializes in exploring AI, mobile applications and API.

Gabrielle is an avid blog writer who advocates for access to education for all. In addition, she has a large following on social media, where she shares many educational resources about technical training and many other cyber topics.

She actively contributes to various organizations as a member of their Advisory Board and technical board. She is a speaker and trainer at global events and prestigious universities, like RSAC, Blackhat, Defcon, CUNY, University of Toronto and many more.

With her contributions to the community, Gabrielle has been the recipient of multiple prestigious awards. Among them, she was honored as one of the Top 20 women in cybersecurity in Canada, Woman Hacker of the Year by CSWY, Educator of the Year at AYA, Top Influencer in Cybersecurity by IFSEC Global, and Pentest Ninja at WSCJ.
