

# Genie Sugene Gan

*A visionary leader blending business, tech, and policy with a global perspective.*

Genie is an internationally acclaimed leader with over 20 years of distinguished experience in entrepreneurship, government, law, business, and technology. A global award-winning entrepreneur and former senior official in government and at the UN, she is now a C-suite business strategy leader at a global MNC with a remit across 94 countries.

A sought-after speaker at top-tier forums (UN, G20, ASEAN, Africa Union, Boao Forum, etc.) and to international media, Genie is a thought leader on leadership, women in tech, cybersecurity, AI, and digital transformation. She serves on prestigious councils like the Global Council for Responsible AI and Singapore's Smart Nation & Cybersecurity Committee.

With credentials from INSEAD, National University of Singapore, she holds a Juris Doctor, honors degree in Accountancy, and a Counseling Psychology specialist diploma. She is an accredited Senior Board Director, a fully qualified lawyer and accountant, a Mediation Coach, and an International Mediator.

Genie combines global perspectives with deep expertise to drive impactful change.
