

Yonesy F. Nuñez

**Cybersecurity Executive | Board Director |
Advocate for Risk-Informed Innovation**

Dr. Yonesy Núñez is a five-time CISO and current Managing Director & Chief Information Security Officer at DTCC, where he leads cybersecurity strategy and technology risk oversight for global financial infrastructure. With over two decades of experience at institutions like Wells Fargo, Citi, and Jack Henry, he brings a pragmatic approach to enterprise security, digital trust, and board governance. A board director at Chain Bridge Bank and Pentegra, he is also a passionate advocate for diversity in cybersecurity and has been recognized by HITEC and the Hispanic IT Executive Council as a top Latino leader in technology. Yonesy speaks frequently on aligning security to business risk, building resilient teams, and preparing organizations for the future of AI, zero trust, and quantum threats.

SPEAKING TOPICS

- **Cybersecurity Strategy & Executive Risk Alignment**
